## THE LOGAN

3,734+ SQUARE FEET | 4 BEDROOMS | 3.5 BATHS

The Logan is available in any combination of brick, stone, vinyl, or hardi-plank exteriors. We will work with you to customize the colors and materials of your choice. Visit [Carson-Homes.com](http://Carson-Homes.com) for additional photos.

The Logan is a classic style home which offers 2592 square feet of first floor living. The main level includes three bedrooms, two and a half baths, great room with see through fireplace, office, formal dining room, sunroom, and eat-in kitchen. The master suite features dual vanities, soaking tub, and separate shower. The 1142 square feet on the second floor can be finished to your specifications.
